### Grace Group Questions for this Sunday's Sermon:

1. Why do you need to be reminded today that Jesus is your permanent high priest? What help do you need to come to the throne of grace for today in your time of need?
2. Suggestion: Read through John 17 together. Compare how Jesus prays for you to the way *you* pray for you? How does it compare to the way you pray for others? How are they the same? What can we learn from Jesus' example of interceding in prayer?
3. Why do you need to be reminded today that Jesus is your sinless high priest? How does this truth about Jesus help us understand how to respond to His invitation in Matthew 11:28-30?
4. Why do you need to be reminded today that Jesus is your willing high priest? What tempts you to doubt that?
5. Why do you need to be reminded today that Jesus is your exalted high priest (that he's gone ahead and is in heaven right now)?
